

## Felted bowl

Use worsted weight yarn

CO 80 on size 11 circular needle (24")

Join w/o twisting and knit for about 22 rounds

Divide onto 4 dpns (size 11), 20 sts on each placing a marker every 10 stitches

Shaping:

A: K to 2 sts before marker, k2tog. repeat for entire round

B: Knit the round

\*\*repeat A & B until you have 4 sts

cut yarn w/7-10 inch tail. Work in the end.

Applied I-Cord:

With RS facing you, cast 3 stsh onto a dpn. \*with yarn in back, pick up a st at edge of piece to be trimmed, push the 4 sts to the right end of the ndl and k2, k2tog: rep from \*. Keep tension loose enough and the number of stitches picked up appropriate so your edge lies flat.

Felt.

Yarn used is Cascade 220 quattro

Washed 1.5 times to get it's proper shape.
